The Business Service List (BSL)

BSL 1.0 1

The Business Service List (BSL) was created by *Dr. Charles Browne* and *Dr. Brent Culligan* from the Cambridge English Corpus.

The Business Service List (BSL) はケンブリッジコーパスに基づいて Charles Browne 博士、Brent Culligan 博士 が作成したものです。

<http://www.newgeneralservicelist.org/bsl-business-service-list>

The list contains only headwords. This mean there are other words in the same family that are not listed. 本リストでは見出し語のみを収録しております。同じワードファミリーの中でリストに含まれない他の単語があります。

With nouns, the list only says "apple", but there is also the plural form "apples".

名詞で言うと、リストには "apple " としか書いてありませんが、複数形の "apples " もあります。

With verbs, the list only says "play", but there are also the other verb forms: plays, playing, played.

動詞では、リスト上は "play" としか書いてありませんが、他にも plays, playing, played という動詞の形があります。

In this version, we have chosen to use British spellings. For example, this means the list says colour not color, and globalisation not globalization.

本バージョンでは、イギリス式の綴りを採用しております。例として、color ではなく colour、globalization ではなく globalisation と記載しております。

This version of the list was designed and produced by triplo.
